## Journey Through the Torah Class Series

Enjoy an in-depth Old Testament Bible study experience with our extensive line of E-Books – each available in 3 digital formats suitable for the more popular E-Book readers and for PC or Mac. Choose from Kindle, EPUB (for iPad and other mobile devices), or PDF formats. The PDF format is for laptop and desktop PCs and for Macs, allowing the material to be conveniently stored in a file on your computer, which can be printed out as needed on any standard home or office printer.

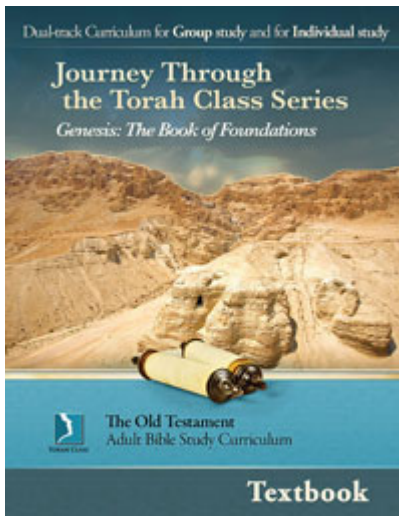

Based on Tom Bradford's Torah Class teachings, these E-Books are designed in two versions: one for Homeschool/Christian School use and another for Adult Bible Study. By offering them ONLY in digital E-Book format, these books can be offered at low prices. All E-Books are available for immediate download after your payment is processed. Click on each book for further details and to view sample content.
