The Torah Class App is your go-to source for in-depth Bible study. Video and Audio lessons. Full written texts and slide shows for every lesson. 100% free; no gimmicks. Includes Old and New Testaments, as well as topical studies. **Includes English and Spanish; other foreign languages will be added over time.**

Torah Class is an in-depth immersion into the history, culture, and language of the Torah and all the Bible. Your instructor, Tom Bradford, makes the Bible come alive as he teaches from the Hebraic heritage perspective. This allows for revelation of God's Word in the context that the biblical authors intended.

Easy to use. The complex is explained in everyday language. Designed for minimum mobile data usage (when Wifi is not available). For personal study or home groups, classes, and schools.

Lesson 1 - Introduction

Today we start a journey that millions of Hebrews and Christians have taken over the last 3000 years. We are going to study the Torah, which is the first and oldest section of the original Hebrew Bible. Torah: a word that few Christians have ever heard of, and fewer have any idea what it actually is.

The Torah is the Hebrew name for the first 5 books of our Bible: Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. We're going to start with Genesis 1:1, and go right on through Deuteronomy 34. We're going to do something a little different, though. We're going to add back in the Jewishness that has been removed over the last 1900 years. Why would we do
