YHWH'S APPOINTMENTS

Passover Lamb / Yahshua YHWH's Lamb

Last Lesson we learned:
Genesis 22:7-14

Abraham offers Isaac up to YHWH. Isaac asks his dad, "Where's the lamb?" To which Abraham simply says, "YHWH will provide The Lamb." Not just any ole lamb, but 'The Lamb.' So when we see that there is a ram caught in the brush we know that is not The Lamb that YHWH was talking about because it's not a lamb.

Could the lamb be the Passover Lamb we see in Exodus as Moses is about to bring YHWH's children from Egypt? No, this is but a shadow of "The Lamb" to come. Why, because there were thousands of lambs that were given up in Egypt for the people. The prophecy with Abraham is that YHWH would provide "The Lamb." Singular. And it would be His Lamb.

His lamb is recognized by John the baptist when he said, "On the morrow, John saw Yahshua coming toward him and said, Behold! The Lamb of Elohim, who takes away the sin of the world!" John 1:29 Notice John says, "...the sin of the world." Not 'sins'. Again in verse 36 of chapter one of John, "...he looked at Yahshua as he walked by and said, "Behold, the Lamb of Yahweh!"

His lamb is not like the lambs that man chooses but according to the Psalmist He has prepared a very special lamb...

Psalms 40:6 Sacrifice and offering You did not desire; But a body You have prepared for Me. You have not asked burnt offering and sin offering.

Isaiah 53:7: " He was oppressed and afflicted, yet he did not open his mouth; he was led like a lamb to the slaughter, and as a sheep before her shearer's is silent, so he did not open his mouth."

1 Corinthians 5:7 makes it even clearer when Paul says, " For Christ, our Passover lamb, has been sacrificed."

Of the Lamb:

1) The Paschal (Passover) Lamb had to be without out blemish.

Deut 15:21 And if there is any blemish in it, lameness, or blindness, or any evil blemish whatever, you shall not sacrifice it to YAHWEH your Elohim.

For four days, the Passover lamb was to be kept in public view so that anyone who wished to examine the animal could do so, ensuring that the animal was without blemish or defects as commanded.

Hebrews 4:15 For we have not a high priest, who cannot share our infirmities; but we have one who was tempted in everything as we are, yet without sin. (Is 53:4)

Yahshua was YHWH's perfect lamb. He never sinned. He was without blemish before the Father.

2) Blood of Paschal (Passover) Lamb (in historical event) was to be placed on the door of individual homes. Later when the Levitical system was implemented because of Israel's sin with the golden calf, the lamb's blood was to be sprinkled on the alter in the tabernacle (and later in the Temple in Jerusalem).

Exodus 12:23 "And YAHWEH will pass through to strike Egypt. And He will see the blood on the lintel and on the two doorposts, and YAHWEH will pass over the door. And He will not allow the destroyer to come into your houses to strike you."

Bloods representation:

Leviticus 17:11 "For the life of the flesh is in the blood, and I have given it to you upon the altar to make atonement for your souls; for it is the blood *that* makes atonement for the soul."

1 Peter 1:18-19 "Knowing that not with corruptible things, like silver or gold, were you redeemed from your worthless way of life handed down from your fathers, but with the precious blood of Messiah, as a lamb without blemish and without spot,"

Consider the possible connection of the first exodus with the blood on the door post with those who accept the blood sacrifice of Messiah Yahshua as their salvation, Messiah then becomes their door to become part of His family.

John 10:9 I am the gate (*door*). If anyone enters through Me, he will have life, and will go in, and will go out, and will find pasture.

Revelation 3:20 Behold, I stand at the door "and knock:" If anyone hears My voice and opens the door, I will enter to him, and I will dine with him, and he with Me. (Song 5:2)

3) Non of the Paschal (Passover) Lamb's bones could be broken.

Exodus 12:46 It shall be eaten in one house. You shall not carry any of the flesh outside from the house. And you shall not break a bone in it.

John 19:33-37 But on coming to Yahshua, when they saw He was dead already, they did not break His legs. But one of the soldiers pierced His side with a spear, and at once blood and water came out. And the one seeing has borne witness and his witness is true; and that one knows that he speaks truly, that you may believe. For these things happened that the Scripture might be fulfilled, "Not a bone of Him shall be broken." (Ex. 12:46; Psa. 34:20) And again, a different Scripture says, "They shall look at Him whom they have pierced." (Zech. 12:10)

12 Specific comparisons between the Paschal Lamb and the Lamb of YHWH, Yahshua

1. Just as a lamb was chosen by YHWH to be the mode in which the Israelites (Hebrew) would have to depend on for the deliverance of their firstborn, John the Baptist identified Yahshua as the Lamb of YHWH who takes away the sins of the world. "On the morrow, John saw Yahshua coming toward him and said, Behold! The Lamb of Elohim, who takes away the sin of the world!" (John 1:29). All who heard these words of John the Baptist would have immediately identified the Lamb of God with the Passover lamb.

2. Just as the Passover lamb was to be without blemish, Yahshua lived a sinless life. "For He who did not know sin, for your sakes made Himself sin, that we might through Him become the righteousness of YAHWEH." (2 Corinthians 5:21).

3. The Passover lamb had to be male, which of course was Yahshua.

4. The Passover lamb had to be a young (a year-old), Yahshua died at a fairly young age (in His thirties).

5. Just as the Passover lamb had to be taken into the home on the 10th of Nisan, on that very same day that the Jews were selecting their Passover lambs, Yahshua (the Lamb of YHWH) rode

into Jerusalem on a donkey. Some call this entrance the Triumphal Entry. Later that week the Passover lamb would be slain and Yahshua would be crucified.

6. Just as the Passover lamb would be examined for the next few days after it was chosen, Yahshua was tested with questions from the scribes, Pharisees, Sadducees, and lawyers.

7. The Passover lamb was to be slain publicly before the assembly. Yahshua was publicly crucified.

8. The Passover lamb could only be roasted by fire (symbolizing judgment). Yahshua received the judgment of crucifixion on the cross.

9. None of the bones of the Passover lamb were to be broken (Ex. 12:46). None of Yahshua's bones were broken on the cross (John 19:33-36).

10. Just as the blood of the Passover lamb was put on their doorposts saved the Israelites firstborn, all who trust in Christ are saved through His blood shed for us. "In whom we have redemption through His blood, the remission of sins, according to the riches of His grace." (Eph 1:7) "And almost all things are purified by blood according to the Torah; and apart from shedding of blood no remission occurs." (Heb. 9:22).

11. The Passover lambs were to be killed at twilight (evening at approximately 3pm). Yahshua died on the cross at the ninth hour, which is 3pm (Mark 15:33-41).

12. The Passover lambs were slain on the 14th of Abib. Yahshua was crucified on the 14th day of Abib (John 19:14, 31). At sunset would have been the "Sabbath" holy day of Unleavened bread when the passover meal was eaten.

Clearly we can see that Yahshua completely aligns with the Scriptural outline for the Paschal (Passover) Lamb. Validating the eternal plan of redemption as fixed before creation.
