## YHWH'S APPOINTMENTS

As we conclude these chapters in John's gospel we have been blessed to see how we are instructed in 1) how the Father and the Son have echad (oneness) and are two distinct characters of YHWH. And 2) how the Ruach brings echad (oneness) between the man and YHWH (our Creator).

Yahshua is very candid on how we are to be in relationship with Him and His Father. That the two have singleness of purpose and of character. We, if we are truly grafted-in, adopted, bought slaves, heirs, we are to take on the same family traits, characteristics and purposes.

This is what it looks like as John is recording Messiah's own words concerning our relationship with the only true Father, the Yah of Creation.

We are to be holy as He is holy...separate from the world. That is our behavior is that that pleases the Father. And it is not the same as 'this worlds' pattern.

We are to be obedient to each of the commandments, statutes, principles and ways in which the Father has instructed us. In time of old it was through the written word now it is through the living Son.

John continues is chapter 16...

Next week we will continue to look at "The Way of Ruach"
